

Commentary and feedback by Kristina Marlen (bodyworker, dancer and performer) about Normal Dance.

Date: 4th June 2016

Yesterday I ´ve been in this amazing piece. A Butch dance, a movement study on expression of bodies in dance and "normality". It´s a piece about pleasure and this is what you will feel seeing it.

Not only for butch-lovers (but especially for you!).

Kristina Marlen, Berlin 2016.
